OUR POLICY

Making an appointment and not showing up denies other patients the opportunity to receive dental treatment at that time and impacts our ability to deliver care here at Dr. Stephen Morrison's office.

Therefore we are **strictly enforcing this policy.**

If you, or a member of your household schedule an appointment and fail to cancel that appointment within 24 hours or fail to show up, you will receive a copy of this notice the first time. The second time this occurs, you will be billed a

\$25.00 fee for Hygiene,

and a \$50.00 fee for Doctor visits.

We are sorry to have to institute this policy but the number of people wanting to schedule appointments had made it necessary for us to do so.

Dr Stephen Morrison D.M.D and staff.
